XUZHOU, China, Dec. 10, 2024 /PRNewswire/ -- Recently, the Jiangzhuang Energy Storage Power Station, the first power grid-side energy storage project in Xuzhou City, Jiangsu Province, has successfully achieved full-capacity "fully charged and fully discharged" operation. The installed capacity of.

XUZHOU, China, Jan. 26, 2025 /PRNewswire/ — On January 25, atop the factory buildings of XCMG Group in Jiangsu Province, dark blue photovoltaic panels glistened under the sunlight, generating tangible “green revenue” for the company. These photovoltaic installations not only rejuvenate idle rooftop.

Since last year, based on its own industrial base, resource endowment and scientific research conditions, Xuzhou Coal Mining Group (hereinafter referred to as “the Group”) has continuously poured investment in emerging industries, so as to promote the development of strategic mineral resources, new.
