

European Solar Energy Storage

Yijia energy storage

Overview

Who is Yijia solar?

Yijia Solar focuses on the production of solar photovoltaic support systems, providing one-stop smart energy solutions and a full range of home energy storage configurations. Beijing Yijia International specializes in engineered Ground Mount Solar System solutions, offering superior stability and cost-efficiency for large-scale solar installations.

Who is Yijia international trading company?

Beijing Yijia International Trading Co., Ltd. As a wholly-owned subsidiary of Hebei Aoqiang Metal Products Group, Yijia International was established in 2023 with a registered capital of 10 million yuan, focusing on global trade services for new energy metal products.

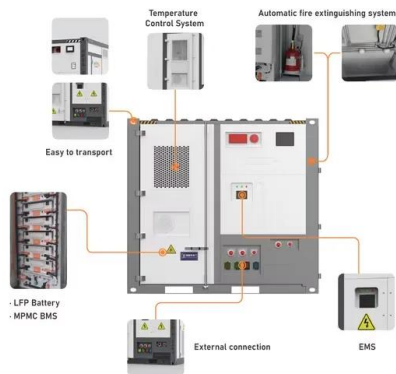

Who is Beijing Yi Jia?

Beijing Yi Jia International Trading Co., Ltd. is a professional business providing a one-stop smart energy solution, a complete set of home energy storage configurations, solar appliances, and commercial energy storage. Global energy storage technology and energy software services provider Fluence and ACE Engineering have opened a new automated battery storage manufacturing facility in Vietnam's Bac Giang Province.

revolutionize your energy solution with the best solar panel ...

If you're on the hunt for an efficient, reliable, and scalable solar solution for your home or business, look no further than Yijia Solar's 20 kW ground mount solar system - the epitome of ...

Home Energy Storage (Stackble system)

- Product Introduction**
- Scalable from 10 kWh to 50 kWh
 - Self-Consumption Optimization
 - Integrated with inverter to avoid the compatibility problem
 - LFP battery, safest and long cycle life
 - Backdoor design for easy installation
 - Capacity of High Powering
 - Emergency-Backup and Off-Grid Function
