4Patriots Solar Review

My mother bought a 4 Patriots "Solar Generator" because a friend has one. It's a battery and inverter in a case with a 100watt solar panel. It was sold as having a second free 100W solar panel included. The additional panel was supposed to ship at a later date. Later is right, because it still hasn't arrived, nearly 2 months later than promised.

Patriot Power Generator Review: Worth Your Money?

The Patriot Power Generator 1800 is a solar power generator that I've often used for power outages in my home. It comes with 2 charging options -- solar panel charging and AC outlet charging (the outlets on the main power grid). This product is a continuation from the Patriot 1500, which famously was recalled because it kept catching fire.
